

The Planning (Listed Building and Conservation Areas) Act 1990

Listed building consent - Approve with Conditions

Application Reference Number: PL/2025/05818

Decision Date: 09/10/2025

Applicant:	Mrs C Sage Roche Old Court North C335 To A30 Junction, East Winterslow, North C335 To A30 Junction, SP5 1BG
Particulars of Development:	Application of basement water control lining
At:	ROCHE OLD COURT, EAST WINTERSLOW, SALISBURY, SP5 1BG

In pursuance of its powers under the above Act, the Council hereby GRANT LISTED BUILDING CONSENT for the above development to be carried out in accordance with the application and plans submitted (listed below), subject to compliance with the condition(s) specified hereunder:-

- 1 The works for which Listed Building Consent is hereby granted shall be begun before the expiration of three years from the date of this consent.

REASON: To comply with the provisions of Section 18 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

- 2 The new basement windows shall be metal. Details of the new windows shall be submitted to and approved in writing by the Local Planning Authority. The submitted details shall include elevations at a scale of not less than 1:10 and horizontal/vertical frame sections (including sections through glazing bars) at not less than 1:2. The works shall be carried out in accordance with the approved details.

REASON: The application contained insufficient information to enable this matter to be considered prior to granting listed building consent and the matter is required to be agreed with the Local Planning Authority before development commences in order that the development is undertaken in an acceptable manner, in the interests of preserving the character and appearance of the listed building and its setting.

- 3 Details of the new staircase shall be submitted to and approved in writing by the Local Planning Authority. The works shall be carried out in accordance with the approved details.

REASON: The application contained insufficient information to enable this matter to be considered prior to granting listed building consent and the matter is required to be agreed with the Local Planning Authority before development commences in order that the development is undertaken in an acceptable manner, in the interests of preserving the character and appearance of the listed building and its setting.

- 4** The existing historic features shall be protected during the course of the works. In respect of the two doors and the panelling that lined the side of the staircase, these shall be reinstated before the space is occupied.

REASON: To protect features of historic and architectural interest that make a positive contribution to the interest of the listed building.

- 5** No development shall commence on site until details of the location of inspection hatches (to be built into the wall system to allow monitoring of damp levels) have been submitted to and approved in writing by the Local Planning Authority. Development shall be carried out in accordance with the approved details.

REASON: In the interests of protecting historic fabric which contributes to the interest of the listed building.

- 6** The development hereby permitted shall be carried out in accordance with the following approved plans and documents:

Specification and quotation for the tanking system provided up MacLennon and uploaded on the 9 July 2025;

Revised drawing 'Rooms 17 and 18 Room Data plans and sections', Masker Architects RD 18-02 Rev C uploaded 11 September 2025;

Basement jamb section detail Masker Architects MH 32 September 2025.

REASON: For the avoidance of doubt and in the interests of proper planning.

Nic Thomas - Director of Planning, Economy and Regeneration

NOTES

- 1 **Other Necessary Consents.** This document only conveys permission for the proposed development under Part III of the Town and Country Planning Act 1990 and the applicant must also comply with all the byelaws, regulations and statutory provisions in force in the area and secure such other approvals and permissions as may be necessary under other parts of the Town and Country Planning Act 1990 or other legislation.
 - 1.1 the need in appropriate cases to obtain approval under Building Regulations. **(The Building Regulations may be applicable to this proposal. Please contact the Council's Building Control team before considering work on site);**
 - 1.2 the need to obtain an appropriate order if the proposal involves the stopping up or diversion of a public right of way or other highway (including highway verge);
 - 1.3 the need to obtain a separate "Listed Building Consent" to the demolition, alteration or extension of any listed building of architectural or historic interest;
 - 1.4 the need to make any appropriate arrangements under the Highways Act 1980, in respect of any works within the limits of a highway. The address of the Highway Authority is County Hall, Trowbridge, BA14 8JD (It is the responsibility of the applicant to ascertain whether the proposed development affects any listed building or public right of way / other highway, including highway verge).
- 2 **Appeals.** If the applicant is aggrieved by the decision of the local planning authority to grant permission subject to conditions, he may appeal to the Secretary of State for the Environment in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of this decision. (Information and forms relating to the appeals process can be found at the Planning Portal - <https://www.gov.uk/appeal-planning-decision>).
- 3 **Climate Change.** Wiltshire Council acknowledges the climate emergency and is seeking to make the county carbon neutral. Adapting historic buildings for the future and making them energy efficient is a challenge and unique solutions may need to be found. [Historic England](#) provide guidance on this, including practical guidance on draught-proofing, insulating and ways of generating energy. The [Energy Saving Trust](#) provides more general information and resources on energy in homes. Also, [Warm & Safe Wiltshire](#) offers all residents across the county free and impartial telephone advice on energy saving. The developer is encouraged to contact the climate team to discuss this further: climate@wiltshire.gov.uk
