APPLICATION TYPE:	Lawful development: Proposed use
SITE ADDRESS:	77 Firs Road, Firsdown, Salisbury, SP5 1SW
DEVELOPMENT DESCRIPTION:	Certificate of lawfulness for proposed replacement of a roof on an established lawful structure with lantern.
RECOMMENDATION:	Permitted Development

PROPOSAL

This application seeks a Certificate of Lawfulness (CLP) under Section 192 of the Town and Country Planning Act 1990 (as amended) for a proposed replacement of a roof on an established lawful structure with lantern.

The planning merits of the proposal are not under consideration. The only issue is whether the proposed works constitute "permitted development" (PD) under the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended) [hereafter referred to as "the GPDO"].

RELEVANT LEGISLATION AND POLICY

The statutory framework governing CLP's is set out in Section 192 of the Town and Country Planning Act 1990 (as amended). This section establishes that a proposed development or use is "lawful" if it would not constitute a breach of planning control. A CLP can be granted if the Local Planning Authority is satisfied, on the balance of probabilities, that the proposed development or use would not require planning permission.

The application has been assessed against the relevant criteria set out in Schedule 2, Part 1, Classes A–H of the GPDO 2015 (as amended).

REPRESENTATIONS

There is no legal obligation to consult third parties, including Town/Parish Councils or neighbouring properties, for this type of application.

ASSESSMENT AND CONCLUSION

The proposal seeks to utilise permitted development rights under Part 1 of Schedule 2 of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended).

Having completed the detailed assessment checklist at Appendix 1 & 2 and based on the submitted plans, supporting information, and a review of relevant constraints (including planning history, Article 4 Directions, and any planning conditions), it is concluded that:

Permitted Development (Lawful)

The proposed development does fall within the scope of permitted development, as defined under Schedule 2, Part 1, Class C of the GPDO. It meets all relevant limitations and conditions, and no restrictions (such as Article 4 Directions or planning conditions) are in force that would remove the permitted development rights relied upon.

The proposed development is considered lawful under Section 192 of the Town and Country Planning Act 1990 (as amended).

Reason for approval: The proposed development is deemed lawful under Schedule 2, Part 1 of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended).
