

Ash:///solid.suave.informal.
This tree unfortunately has ash die back.
Due to its location over the road it does in its current state present a potential risk.
Pollard of canopy to lines on annotated photograph.
An approx. reduction of 10 meters.

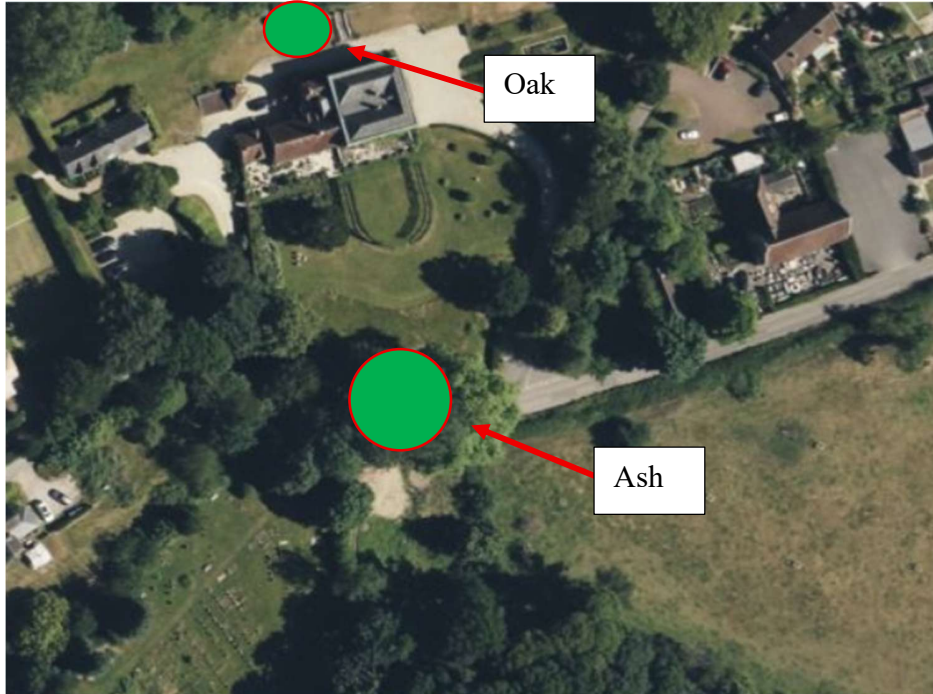

Oak: Central area of canopy, beginning to die back. Due to location. Remove deadwood and reduce canopy by up to four meters to balance.

Caleston, Semley, Shaftesbury, Dorset. SP7 9AX Telephone 01747 850253
