

A. Marsh
Senior Conservation Officer
Wiltshire Council North
Planning Department

Monday, 13th April 2026

Dear Alex,

Discharge of Conditions, application ref: PL/2024/05763

Further to the recent partial discharge of conditions to the above approval dated 17th March 2026, please find enclosed remaining information in relation to discharge of the following conditions:

3. ii) Details of Internal Joinery. I confirm there will be no new internal doors and enclose drawing no: T-01 A.

3. iii) Details of proposed Roof-lights. Please refer to drawing no.s: T-09 & T-11

3. iv) A structural engineer's report on the stability of the existing boundary wall: Please refer to JCP Structural Engineer drawings 18607-000-01 & 18607-000-02.

4. a) Extent of re-pointing to the existing house & b) Proposed mortar composition for the lime mortar:

Please refer to "Gun Point Oxford Ltd Method statement for re-pointing stone walls".

I trust the enclosed information will allow you to discharge these remaining conditions but please contact me if you have any queries,

Yours sincerely

Edward Tucker ARB RIBA
