Dear Sir/Madam

Application to Retain Temporary Military Office (WD0625), Bulford Garrison, until 31 March 2029

This application is submitted on behalf of the Secretary of State for Defence. Its purpose is to extend the use of a temporary office building WD0625, at Ward Barracks, Bulford Garrison for a 3-year period until 31 March 2029. This is because the current temporary permission (PL/2022/02692) is conditioned such that the office should be removed by 26 May 2027 but due to the ongoing military requirements, there is a need to retain the building in situ pending cessation of its current use. The building will be used to enable vital military operations to continue during the refurbishment of permanent facilities.

The building was constructed in August 2007 and is sited in the most appropriate location having regard to its operational use. It is single storey and has a flat mineral felt roof. Wall panels have a natural stone aggregate finish, coloured 'Sienna' with a contrasting skirt and fascia coloured 'Rosso'. The windows and doors are brown powder coated aluminium. WD0625 is enclosed by an independent 2.9m high, weld mesh security fence with razor wire mounted on the top, providing a 3m clear perimeter.

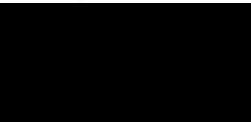

The building is compliant with Part M of the Building Regulations, ramped access is provided to the main entrance to enable mobility impaired users to gain access to the building.

The following documents are attached to this application:

- A completed application form;
- Location Plan (23-XXXGEN-43-GA-A1-400 E);
- Site Plan (3-WD0625-08-GA-A1-003 A);
- Floor Plan & Elevations (76500.U3/1 Rev C).

Please provide a payment reference for the appropriate fee to be paid. Should you require any further information to determine this application positively please do not hesitate to contact me.

Yours faithfully
