

West Elevation Existing

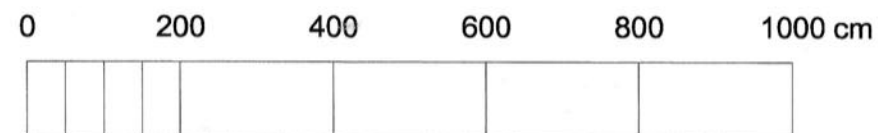

West Elevation Proposed

East Elevation Existing - will remain the same

East Elevation Proposed - will remain the same other than addition of front porch

Drawings to support the application of works to 24 Huntington Rise, Bradford-on-Avo, BA15 1RJ. Reconfiguration of kitchen/dining room and a new bedroom and en-suite bathroom to be built above the footprint of the ground floor garage/utility/hall. Flat roof over portion of the new first floor extension. The main extension will have a hip roof coming off the existing roof. The new ridge will be lower than existing ridge. The new extension will be set back (from the side) from the footprint of the garage below. Brick and roof tiles to match existing. New window and door frames on ground floor white double glazed aluminium-to be confirmed by client. First floor new windows white UPVC to match existing.

Title: Floor Plans

Scale:
1:100
@A3

Client:
Sharon and
Chris Pillai

Do not scale. Some dimensions are approximate- verify all dimensions before commencing work. These drawings are illustrative only and do not constitute construction drawings, structural design or building regulation submission. They are not architectural or technical drawings. Always consult a structural engineer and all other relevant building specialists and they must take their own measurements and provide all structural design, calculations and advice. The engineer must confirm the feasibility of any proposed layout, along with your builder before planning application is submitted. The author of these drawings does not act as Principle Designer or Principle Contractor under CDM 2015.
