- ☐ **Householder development:** Development to an existing dwelling-house or development within its curtilage
- ☒ **Other:** Anything not covered by the above category

Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

Bellway are making a non-material amendment on the facade materials and 'Webster' house type roof lights at Phase 4 Rowden.

Please state why you wish to make this amendment

The materials specified under these NMA proposals are more in keeping with the surrounding Redcliffe and Taylor Wimpey developments and also reduces the split level material finishes.

The roof lights on the Webster house type have been substituted for a 'smart roof' option. The house pack has been split to capture Webster house types that have already been built using the original design, and then the Webster plots Bellway are looking to change.

Are you intending to substitute amended plans or drawings?

- ☒ Yes
- ☐ No

If yes, please complete the following details

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No
