

The Town and Country Planning Act 1990
Approval of Variation of Conditions
Application Reference Number: PL/2025/09165
Decision Date: 27/04/2026

Applicant:	Ms Amanda Burrows 2 Queensway, Melksham, Wiltshire, SN12 7JY
Particulars of Development:	Resubmission of planning permission PL/2021/10256 for removal of no.1 unallocated lay-by parking space and creation of no.2 off street parking spaces and associated works including relocation of street furniture and turning head with alterations to the previously approved boundary fencing and the installation of entrance gate (part retrospective).
At:	2 Queensway, Melksham, SN12 7JY

In pursuance of its powers under the above Act, the Council hereby **GRANT PLANNING PERMISSION** for variation or non-compliance with a condition or conditions imposed on an earlier permission in accordance with the application and plans submitted by you.

In accordance with paragraph 38 of the National Planning Policy Framework, Wiltshire Council has worked proactively to secure this development to improve the economic, social and environmental conditions of the area.

Subject to compliance with the following conditions:

- 1 The development hereby permitted shall be carried out in accordance with the following approved plans:

245/101 Rev C – Existing and Proposed Block Plan, Fence and Gate Elevations
received 22.01.26

REASON: For the avoidance of doubt and in the interests of proper planning

- 2 Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (or any Order revoking or re-enacting

or amending that Order with or without modification), no buildings or structures, or gate, wall, fence or other means of enclosure, other than those shown on the approved plans (drg no. 245/101 Rev C), shall be erected or placed anywhere on the site edged red.

REASON: To safeguard the character and appearance of the area

Nic Thomas - Director of Planning, Economy and Regeneration

NOTES

- 1 **Other Necessary Consents.** This document only conveys permission for the proposed development under Part III of the Town and Country Planning Act 1990 and the applicant must also comply with all the byelaws, regulations and statutory provisions in force in the area and secure such other approvals and permissions as may be necessary under other parts of the Town and Country Planning Act 1990 or other legislation.
 - 1.1 the need in appropriate cases to obtain approval under Building Regulations. **(The Building Regulations may be applicable to this proposal. Please contact the Council's Building Control team before considering work on site);**
 - 1.2 the need to obtain an appropriate order if the proposal involves the stopping up or diversion of a public right of way or other highway (including highway verge);
 - 1.3 the need to obtain a separate "Listed Building Consent" to the demolition, alteration or extension of any listed building of architectural or historic interest;
 - 1.4 the need to make any appropriate arrangements under the Highways Act 1980, in respect of any works within the limits of a highway. The address of the Highway Authority is County Hall, Trowbridge, BA14 8JD (It is the responsibility of the applicant to ascertain whether the proposed development affects any listed building or public right of way / other highway, including highway verge).
- 2 **Appeals.** If the applicant is aggrieved by the decision of the local planning authority to grant permission subject to conditions, he may appeal to the Secretary of State for the Environment in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of this decision. (Information and forms relating to the appeals process can be found at the Planning Portal - <http://www.planningportal.gov.uk/planning/appeals>).
- 3 **Climate Change.** Wiltshire Council acknowledges the climate emergency and is seeking to make the county carbon neutral. You are encouraged to include energy efficiency that exceeds building regulations and to meet residual energy demand through renewable energy and low-carbon technologies, including high levels of electric vehicle charging points. The developer is encouraged to contact the climate team to discuss this further. climate@wiltshire.gov.uk
