General Notes:
All dimensions to be checked on site prior to construction or fabrication. Any discrepancies should be reported to the designer. Where structural elements are shown this is for illustrative purposes only. All structural design to be carried out by suitably qualified structural engineer. All drawings are indicative of visual requirements and show design intent only. All work is subject to change upon detail design. All drawings are indicative of visual requirements and show design intent only. All work is subject to change upon detail design. All work to conform to current building regulations and all current construction legislation. If divergences from statutory requirements are shown on the drawings these should be reported to the designer immediately. All drawings are to be read in conjunction with specifications and drawings of all other consultants. This drawing has been produced using survey information supplied by others, the accuracy of which the designer can not guarantee. All dimensions are to be checked and confirmed onsite by the contractor prior to construction.
