You don't often get email from clerk@steeple-ashton.co.uk. [Learn why this is important](#)

Hello Jenny

I have consulted with members and we put together the below list. My apologies that I am a day late getting back to you.

- The pub is used for the monthly meeting of the SAVE Group (a local group which assists in looking after open spaces and maintenance)
- The Parish Council Highways Group use the function room for their regular meetings
- The function room is used for parish council consultation events, most recently for the Neighbourhood Plan consultations
- A monthly quiz night is held at the pub
- The pub holds regular music events which mainly locals attend
- The function room is used for wedding reception birthday parties, mainly by locals
- A man's group have regular meeting at the pub, with food
- On a Wednesday and Friday early evening the same locals meet up for a drink and social gathering.
- The pub also televises major sporting events for rugby, football and horse racing. The function room and bar are full of village residents.
- The pub is used regularly for post-shoot suppers.
- Family wakes and gatherings after funeral services.
- Steeple Ashton Golf Society meets regularly after playing.

Kind regards,

Nikki

Dear Nicola

I am the officer dealing with the above ACV application which Steeple Ashton PC have submitted in respect of The Longs Arms. Unfortunately your application does not include any specific examples or evidence to support your claim that the pub 'provides a focus for social, recreational, sport and community events and contributes significantly to local well being.' Are you able to please provide me with some further information to support this claim as soon as possible and certainly by Monday 27th April? This could include specific examples of events that are held at the pub or clubs and community groups that meet in the pub.

Many thanks.

Kind regards,

Jenny Rowe MRICS
