

A line drawing of a house with a gabled roof. The roof is shown with a double line, indicating its thickness. A chimney is located on the right side of the roof. The house is shown from a side profile, with the ground indicated by a horizontal line and diagonal hatching below it.

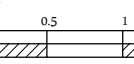

Technical drawing of a building facade section. The drawing shows a cross-section of a structure with a door and a window. The door is centrally located, flanked by vertical elements. To the right, there is a window with a sloped roofline above it. The ground is indicated by a thick horizontal line with diagonal hatching below it. The drawing is a line art representation, typical of architectural blueprints.
