Dear Mrs Green

The above property is not subject to any Tree Preservation Order but is within the Mildenhall Conservation Area and as such any works to trees require prior consent from the Local Authority. Accordingly I have attached the necessary form and guidance notes to enable you to submit a Section 211 Notification to undertake the required tree works.

Alternatively here is the link for online forms

[Find and download paper forms | Paper Forms | Planning Portal](#)

When the form has been completed it can be emailed back to us at planningtrees@wiltshire.gov.uk or submitted via the Planning Portal or posted to
DEVELOPMENT CONTROL WILTSHIRE COUNCIL MONKTON PARK CHIPPENHAM
WILTSHIRE SN15 1ER

Once your application has been received the Local Authority has six weeks to determine the matter. There is no fee for this type of planning application since it is only a notification of intended works.

Subject: Tree Fell Request

To whom it may concern

Property address:

Hernshaw
Mildenhall
SN8 2LY

I am seeking permission to fell a dead silver birch tree that has sadly not survived the 3rd year of river flooding at our property. Branches are now falling in the wind so it's becoming a potential hazard. Please see photos attached. I would appreciate any approvals that can be given so that we can proceed with the work.

Many thanks
Mr and Mrs Rowe (nee Green)
