Eligibility

Permitted development rights are subject to conditions set by legislation to ensure that only appropriate proposals are eligible. The need to apply to the Local Planning Authority to see if prior approval is required is one such condition.

Is the site currently part of an established agricultural unit?

- [x] Yes
- [ ] No

Was the site part of an established agricultural unit on 24 July 2023?

- [x] Yes
- [ ] No

Has any work under the permitted development rights for the erection, extension or alteration of a building reasonably necessary for the purposes of agriculture been carried out on the agricultural unit during the 10 year period before development begins?

- [ ] Yes
- [x] No

Will the external dimensions of the resulting building(s) extend beyond the existing building(s) at any point, other than:
• as a result of any permitted extension to the building under this permitted development right; or
• by more than 0.2 metres as a result of any permitted building work or other operations under this permitted development right.

- [ ] Yes
- [x] No

Will any proposed extension:
• be more than 1 storey;
• be sited anywhere other than the rear of existing building;
• extend beyond the rear wall of existing building by more than 4 metres;
• extend beyond side or principal elevations of the existing building;
• create eaves higher than the height of the current building's eaves;
• be higher than the highest part of the roof of the existing building, or exceed 4 metres in height;
• be on land that is not already covered by a hard surface, with that hard surface having existed on or before 24th July 2023 or, where the hard surface was provided after 24th July 2023, has been in place for at least 10 years before development begins.

- [ ] Yes
- [x] No / No extension proposed

Does the new building have suitable access to a public highway?

- [x] Yes
- [ ] No

Is the existing building (including any permitted building work or other operations, but excluding any proposed extension), capable of complying with the nationally described space standard?

- [x] Yes
- [ ] No

NOTE: Please note: Any new dwellinghouse will only be eligible for permitted development rights if it has a gross internal floor area of at least 37 square metres, and complies with the nationally described space standard.

Is any part of the land, site or building:
• in a conservation area;
• in an area of outstanding natural beauty;
• in an area specified by the Secretary of State for the purposes of enhancement and protection of the natural beauty and amenity of the countryside;
• in the Broads;
• in a National Park;
• in a World Heritage Site;
• in a site of special scientific interest;
• in a safety hazard area;
• in a military explosives storage area;
• a scheduled monument (or the site contains one);
• a listed building (or within the curtilage of a listed building)

- [ ] Yes
- [x] No

Agricultural tenants

To be eligible for this permitted development right, all parties to any agricultural tenancy agreements that are currently in place, or that have been terminated in the year before development is proposed to begin, need to provide consent.

This is to help ensure that agricultural tenants are not displaced to allow a change of use to be carried out.

Is the site currently occupied under any agricultural tenancy agreements?

- [ ] Yes
- [x] No

Have any agricultural tenancy agreements been terminated in the year before development is proposed to begin for the purpose of carrying out the proposed change of use?

- [ ] Yes
- [x] No

Dwellinghouses and floor space

To be eligible for this permitted development right, the number and size of dwellinghouses developed has to be within the limits set by legislation. This includes any dwellinghouses that were previously developed under this permitted development right.

- No more than a total of 10 dwellinghouses can be developed;
- The floorspace of any single dwellinghouse developed cannot exceed 150 square metres;
- The cumulative floor space of all the dwellinghouses developed cannot exceed 1,000 square metres.

What will be the net increase in dwellinghouses?

1

NOTE: This figure should be the number of dwellinghouses proposed by the development that is additional to the number of dwellinghouses on the site immediately prior to the development.

Would the floorspace of any of the proposed dwellinghouses exceed 150 square metres?

◯ Yes
⊘ No

Previous development

How many dwellinghouses have previously been created under this permitted development right on this established/former agricultural unit?

0

Cumulative floor space

What would be the total combined floor space (previously and in this proposal) changed to Dwellinghouses under this permitted development right on this established/former agricultural unit?

149	Square metres

Description of Proposed Works, Impacts and Risks

Please describe the proposed development, including the siting and location of the building(s)

Application for prior approval under Class Q of the GPDO 2015 as amended for change of use of agricultural building into a single residential dwellinghouse (Class C3) with associated operational development.

Please provide details on the provision of adequate natural light in all habitable rooms of the dwellinghouses

Please refer to submitted plans which confirm that adequate light will be provided for all habitable rooms within the proposed development.

Will the building(s) be extended as part of the proposed development

◯ Yes
