Informative

- 4** The Town and Country Planning (Use Classes) Order 1987 (as amended) identifies Use Class C4 as a house in multiple occupation and defines this as the Use of a dwellinghouse by not more than six residents as a “house in multiple occupation”. The development hereby approved for a 5 bed house in multiple occupation does not meet this definition and is considered to be a sui generis use for the purpose of any future planning applications for change of use.

For the avoidance of doubt, this planning permission is for a change of use only and excludes any operational development which may require separate planning permission.
