

Signage Information From National Trust

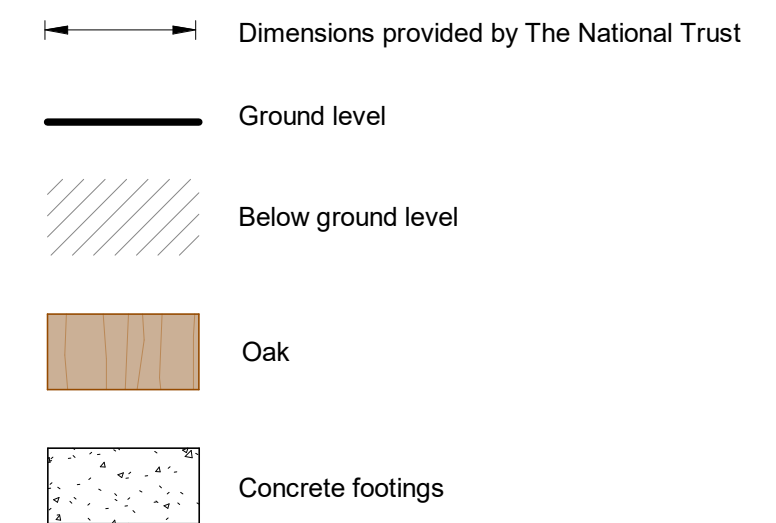

As with all aspects of the visitor journey, the posts need to adhere to the standards set in the Visitor Experience guidance. When working with this team it was agreed that all new posts installed in car parks should be oak and at the following sizes (with the largest measurement being the height above ground)

Notes

1. All dimensions are in millimetres unless otherwise stated.
2. Signage details and dimensions are based on information supplied to Mott MacDonald from manufacturer's suppliers or the client.
3. Any drawing errors or discrepancies should be brought to the attention of Mott MacDonald.
4. The designs shown are subject to detailed site investigations, the CDM Regulations and review of Statutory Undertakers available information, etc.
5. This drawing is to be read in conjunction with all other submitted documents and drawings.
6. No unauthorised use, disclosure, storage or copying.
