Description of the Proposal

Please note in regard to:

Fire Statements - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. [View government planning](#)

[guidance on fire statements](#) or [access the fire statement template and guidance](#).

Permission In Principle - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.

Public Service Infrastructure - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or [view government planning guidance on determination periods](#).

Description

Please describe details of the proposed development or works including any change of use

Establish a roadway from the entrance gate into the site and to the stable block. Establish a level surface and erect a block of 9 stables, which will be constructed from wood with galvanized roofs and plastic guttering. Establish a level surface by the entrance to allow parking for 4 cars and a horse trailer. This will entail levelling the ground, putting down a membrane and covering it base and sub base materials. Establish 2 lockable containers for the storage of feed and tack, 2 small hay barns for the storage of hay for the winter. This will entail producing a level area using sleepers and positioning the containers on them Establish and site a muck trailer for the storing and disposal of horse manure and soiled shavings. A large trailer will be established in a prescribed area, waste from the stables, for example horse manure and shavings will be deposited in the trailer, once the trailer is full it will be collected and the waste disposed of by the contractor, the muck container will be collected every 4 to 5 weeks. Build a menage to exercise horses – a 25m by 60 m riding menage to be constructed – square up and mark out arena- excavate drainage channels install drainage (as per plan)- install terram geotextile base membrane, install clean free angular lime stone – lay rubber riding surface. Fencing – fencing to be erected around the perimeter of the menage at a height of 4’6” above the riding level- posts will be 8ft in length, 4”x 4” posts installed at 6ft centers to a depth of 2ft, the rails will be installed top, middle and bottom, 12 ft in length. – 4”x11/2 “ and retaining boards will be 12ft 6” x1.5”. the gate posts will be 8ft in length 7”x7” posts. The gate will be a 12ft 5 bar wooden gate.

Biodiversity and Geological Conservation

Is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the application site, or on land adjacent to or near the application site?

To assist in answering this question correctly, please refer to the help text which provides guidance on determining if any important biodiversity or geological conservation features may be present or nearby; and whether they are likely to be affected by the proposals.

a) Protected and priority species

- ☐ Yes, on the development site
- ☐ Yes, on land adjacent to or near the proposed development
- ☒ No

b) Designated sites, important habitats or other biodiversity features

- ☐ Yes, on the development site
- ☐ Yes, on land adjacent to or near the proposed development
- ☒ No

c) Features of geological conservation importance

- ☒ Yes, on the development site
- ☐ Yes, on land adjacent to or near the proposed development
- ☐ No

Supporting information requirements

Where a development proposal is likely to affect features of biodiversity or geological conservation interest, you will need to submit, with the application, sufficient information and assessments to allow the local planning authority to determine the proposal.

Failure to submit all information required will result in your application being deemed invalid. It will not be considered valid until all information required by the local planning authority has been submitted.

Your local planning authority will be able to advise on the content of any assessments that may be required.

Biodiversity net gain

Biodiversity net gain is a legal requirement for planning permission introduced on 12 February 2024. All applications are required to either provide detailed information proving there will be a biodiversity increase; or explain why the requirement does not apply to the development.

[Find out more about biodiversity net gain, and access digital tools from our partners that can help determine if you are exempt, or produce the biodiversity metric information required.](#)

Do you believe that, if the development is granted permission, the general Biodiversity Gain Condition (as set out in [Paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 \(as amended\)](#)) would apply?

- ☒ Yes
- ☐ No

Based on your site details, you are likely eligible to [use our partner's online tool to create the metric sheet and all information and supporting documents and plans you need to comply with biodiversity net gain, including the metric sheet](#). Estimated time to complete is 45 minutes.

Apologies we have misplaced the letter received but the advice confirmed that the property should not be used for commercial purposes or increase the traffic to the field.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No

Ownership Certificates and Agricultural Land Declaration

Certificates under Article 14 - Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended)
