NOTE:

All windows shown are viewed from the outside.

All Structural Opening dimensions are to be taken from the Schedule and are for estimating purposes only. The structural openings indicated include cills fitted to every window bay.

Individual windows of the same Type may vary in overall size, but fixed light and casement heights are to be as indicated on the drawing.

Frame sizes and fenestration profiles, are based on Comar Window's Legacy range.

Dimensions shown as variable are to be determined by the Window Fabricator following the Fabricator's site survey.

All opening Casements are to be top hung and fitted with opening restrictors in accordance with the fabricators standard installation.

This drawing to be read in conjunction with the Window Schedule on 241381-1506
