Subject: Re: PL/2026/02603 - Gore Cross Farm, Gore Cross, West Lavington

Hi Jane

Thank you for your email below.

I confirm that I would like to withdraw the application PL/2026/02603.

If possible please can you confirm that prior approval would not be required for an identical application for a shed used solely for straw storage (rather than a shed housing livestock)?

Kind regards

Tim
