6. Other (please specify)

Semington Parish Council, at their meeting on 20 May 2026 requested this application to be called in, on the basis that it would (a) adversely impact and reduce the green gap/wedge between Berryfield and Semington, (b) erode the openness of the canal-side landscape adjacent to the proposed development. Whilst acknowledging the purported environmental elements of the design, it is not in keeping with or sympathetic to that of existing nearby properties.
