**Subject: Objection to Planning Application [Insert Application
Reference Number pl/2026/02053**

Property Address: 12 Roundway park Devizes SN102ED

Dear Planning Officer,

I am writing to formally object to the planning application submitted by my neighbour at 12 ROUNDWAY PARK regarding the proposed single-storey extension.

As the immediate neighbour residing at 11 Roundway park I strongly believe this development will have an unacceptable and detrimental impact on my property and daily living conditions for the following reasons:

- **Overshadowing and Loss of Light:** The proposed extension will significantly reduce the natural light reaching my [mention affected rooms, e.g., kitchen/living room] and overshadow my rear garden.
- **Overbearing Impact and Sense of Enclosure:** Due to the height and proximity of the extension to our shared boundary, it will create an overbearing and oppressive outlook, leaving my property feeling hemmed in. The roof line will make it difficult for access maintenance. Building over underground cable in the ground electricity on boundary.
- **Loss of Privacy:** If they have windows facing you] The proposed placement of windows/doors will result in a direct line of sight into my private living areas and garden. The roof was change to hip would be more beneficial.

- **There should be a maintenance gap for power cable in the ground.**

I urge the council to review these impacts and consider a site visit to view the proposed extension from my property. Thank you for considering my views.

Yours sincerely,

Bettina Hill
