

Request for planning application to be considered by a Planning Committee

Application Ref: 2026/02231

Site Address: Land next to Coomb Cottage, Moor Lane, Charlton

Proposal

Change of use of land and buildings from agricultural to Sui Generis mixed use for recreation, education and community purposes, with associated works including the erection of a yurt, composting toilets and parking.

Before making a request for a planning application to be referred to a Planning Committee Members are asked to discuss it with the case officer to ensure that they are aware of all of the relevant considerations and the likely recommendation. This should ensure that only those applications that need to, appear on agendas. (There have been cases where applications have appeared where the officer's recommendation is in line with the Members thoughts).

I have discussed this application with the case officer.
