Subject: RE: Building Notice BR/2026/04756

Hi Amanda

Site notes are not uploaded online for public viewing, please find my site record note below:

**WORMCLIFFE HOUSE, WORMCLIFFE LANE, KINGSDOWN, CORSHAM, SN13 8AR – Extension -
BR/2026/04756**

04/03/2026

Builder Alex on site - New foundation excavation formed to rear / side of property against hillside above, deep excavation formed into natural stiff brown clay, no water present - steel mesh on site in line with structural engineer's design details which builders are following. Further info for overall project to follow in due course.

Kind regards
