

The Town and Country Planning Act 1990
Approval of Wiltshire Council Regulation 3 Application
Application Reference Number: PL/2026/01261
Decision Date: 03/06/2026

Applicant:	Wiltshire Council County Hall, Bythesea Road, Trowbridge, BA14 8JN
Particulars of Development:	To renew the Planning Permission for 5 years for the existing Mobile Classroom - Mobile 836(15)
At:	Newton Tony School, Newton Tony, Salisbury, SP4 0HF

In pursuance of its powers under the above Act, the Council hereby **GRANT PLANNING PERMISSION** for the above development to be carried out in accordance with the application and plans submitted (listed below).

In accordance with paragraph 38 of the National Planning Policy Framework, Wiltshire Council has worked proactively to secure this development to improve the economic, social and environmental conditions of the area.

Subject to the following conditions:

- 1 This permission is granted for the limited period ending five years from the date of this permission, at the expiration of which, the use shall cease and the land shall be reinstated to its former use unless otherwise agreed by the Local Planning Authority upon submission of a planning application in that behalf.

Reason: In the interests of amenity, in order to secure the reinstatement of the land upon removal of a building for which permission is justified on the basis of a temporary need.

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans and documents:

870/30 O Block plan, Floor plan, Elevations and photos received 23/02/26

Location plan received 23/02/26

REASON: For the avoidance of doubt and in the interests of proper planning.

Informative – Flood Risk Emergency Plan

The Council's Strategic Flood Risk Assessment 2024 indicates that the south east corner of the mobile may lie within Flood Zone 2 and could be at risk of fluvial flooding. The applicant should therefore ensure that appropriate emergency access and egress plans and procedures are in place for the occupants of the mobile in the event of a flood.

Nic Thomas - Director of Planning, Economy and Regeneration

NOTES

- 1 **Other Necessary Consents.** This document only conveys permission for the proposed development under Part III of the Town and Country Planning Act 1990 and the applicant must also comply with all the byelaws, regulations and statutory provisions in force in the area and secure such other approvals and permissions as may be necessary under other parts of the Town and Country Planning Act 1990 or other legislation.
 - 1.1 the need in appropriate cases to obtain approval under Building Regulations. **(The Building Regulations may be applicable to this proposal. Please contact the Council's Building Control team before considering work on site);**
 - 1.2 the need to obtain an appropriate order if the proposal involves the stopping up or diversion of a public right of way or other highway (including highway verge);
 - 1.3 the need to obtain a separate "Listed Building Consent" to the demolition, alteration or extension of any listed building of architectural or historic interest;
 - 1.4 the need to make any appropriate arrangements under the Highways Act 1980, in respect of any works within the limits of a highway. The address of the Highway Authority is County Hall, Trowbridge, BA14 8JD (It is the responsibility of the applicant to ascertain whether the proposed development affects any listed building or public right of way / other highway, including highway verge).
- 2 **Appeals.** If the applicant is aggrieved by the decision of the local planning authority to grant permission subject to conditions, he may appeal to the Secretary of State for the Environment in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of this decision. (Information and forms relating to the appeals process can be found at the Planning Portal - <http://www.planningportal.gov.uk/planning/appeals>).
- 3 **Climate Change.** Wiltshire Council acknowledges the climate emergency and is seeking to make the county carbon neutral. You are encouraged to include energy efficiency that exceeds building regulations and to meet residual energy demand through renewable energy and low-carbon technologies, including high levels of electric vehicle charging points. The developer is encouraged to contact the climate team to discuss this further. climate@wiltshire.gov.uk
