Dear Andrew Thomas,

Renovation of sewage treatment plant and installation of new foul water infrastructure to connect into the existing sewage treatment plant and outfall.

Westbury Quarry, Long River Road, Westbury

Thank you for consulting us on the above application.

Environment Agency Position

We have no objections to the proposed development and recommend the inclusion of the following informative.

Informative.

The Sewage treatment plant is regulated by the Environment Agency under Environmental Permit EPR/ZP3229GC. The proposed renovation of the plant must ensure that the plant can still comply with the conditions of this permit.

The applicant must also ensure that the renovated system satisfies the conditions of the Active Discharge Consent or consider variation of the Discharge Consent.

Should you require any additional information, or wish to discuss these matters further, please do not hesitate to contact me.

In accordance with the Planning Practice Guidance (Determining a planning application, paragraph 019), please notify us of a decision being made, or if the application is withdrawn.

Yours sincerely,
