

Wiltshire Council Planning Consultation Response

ECOLOGY

Officer name: Abi Gazzard
Date: 05/06/2026
Application No: PL/2026/01682
Proposal: Discharge of conditions 3 (Drainage) and 4 (Slurry Infrastructure Grant) of PL/2025/05302 - The installation of a new covered above ground slurry store
Site Address: Lady Margaret Farmhouse, Wootton Rivers, Marlborough, SN8 4NH
Case Officer: Hannah Brown

Thank you for consulting Ecology on the discharge of conditions relating to planning application PL/2025/05302 (installation of a new covered above ground slurry store). This application concerns Conditions 3 (drainage) and 4 (SIG grant). Condition 4 is relevant to ecology.

Documents reviewed:

- "PL/2025/05302 New above ground slurry store at Lady Margarets Farm Release of conditions attached to consent dated 14/11/2025"
- Location Plan, Singleton & Co, June 2025

Condition No.	Further information required by condition	Satisfactorily addressed (Document & Date)
4	The development hereby permitted shall not commence until evidence of a successful Slurry Infrastructure Grant application has been submitted to, and approved in writing by the Local Planning Authority. REASON: To accord with the Conservation of Habitats and Species Regulations 2017, and Wiltshire Core Strategy Core Policy 69.	Satisfactorily addressed "PL/2025/05302 New above ground slurry store at Lady Margarets Farm Release of conditions attached to consent dated 14/11/2025" The document listed above contains a copy of the grant funding agreement from Natural England, which contains the correct references and tank size/details, in line with that approved.

Summary

The tank must be implemented in accordance with the details provided. Overall, the information submitted is considered sufficient to enable the discharge of Condition 4.

Final sign off – all matters addressed:
