

PLAN TO FRONT OF HOUSES

FRONT ELEVATION TO ROAD

EXTERNAL MATERIALS

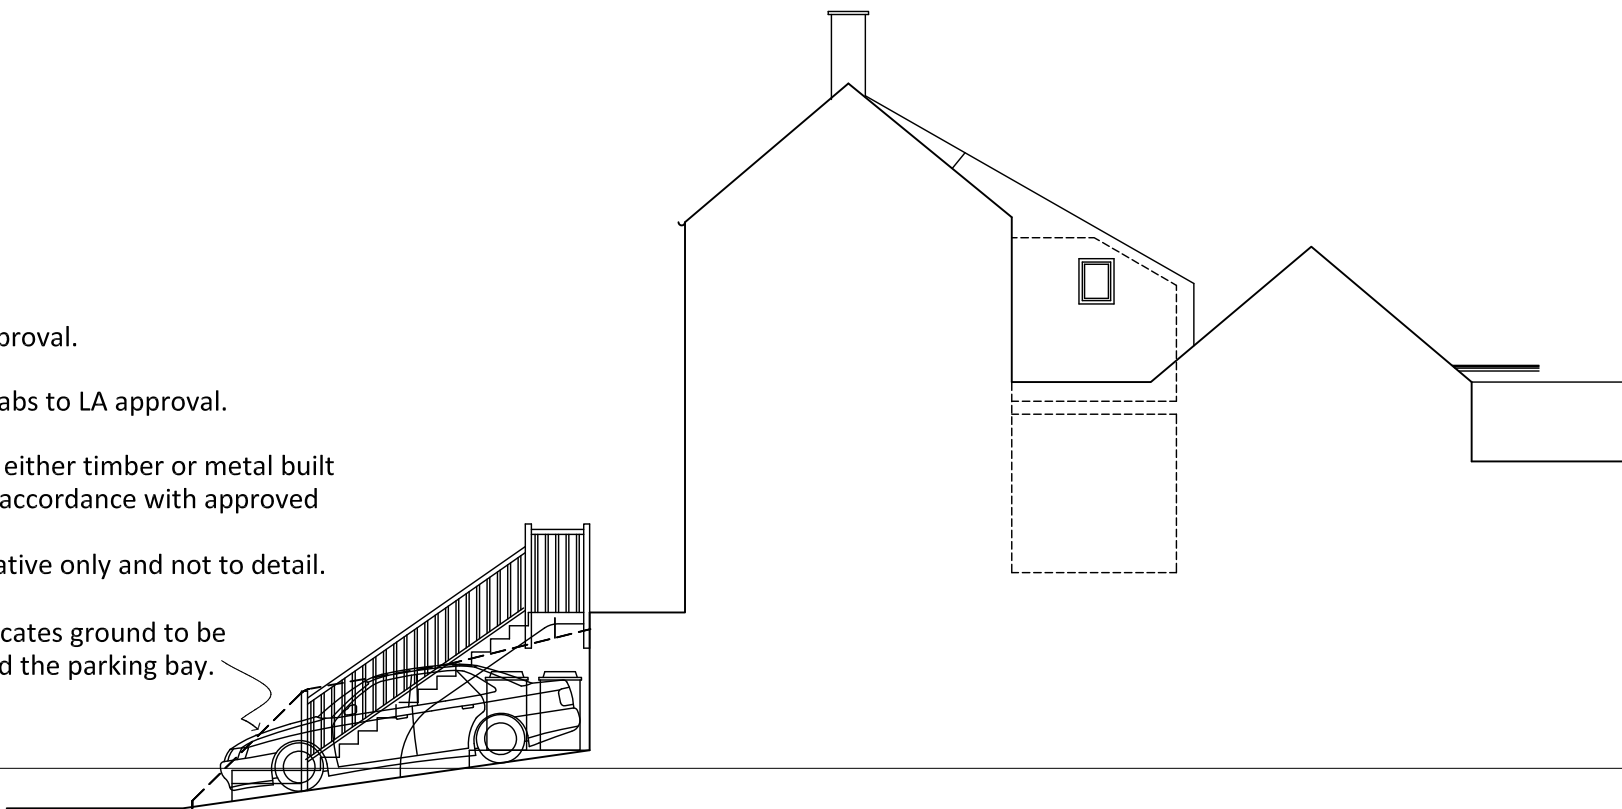

Walls: To the new parking bays to be brickwork to LA approval.

Steps: Brick risers with brick treads or concrete paving slabs to LA approval.

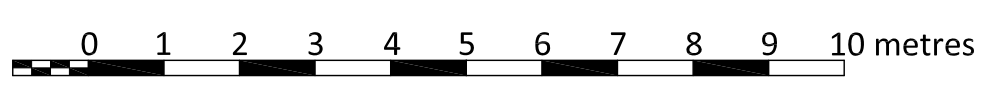

External balustrade to steps & wall above parking: To be either timber or metal built to BS 6180:2011 (barriers in and about buildings) and in accordance with approved document 'K' of the Building Regulations.

Note that the drawing indicating the balustrades is indicative only and not to detail.

Dotted line indicates ground to be retained beyond the parking bay.
