

Variation of condition / Section 73 application

application 15/08251/FUL

Changes to Drawings:

Ground Floor

The amended ground floor Boot Room / Utility has a door in place of the window.

The Sitting Room has two pairs of French Doors replacing the 3 pane bi-fold doors.

First Floor

The amendments include modifications to the staircase to allow for a flight to the floor above. The bedroom and en-suite arrangements have changed from 4 bedrooms and 4 ensuites to 5 bedrooms and 3 ensuites. The walls are moved to accommodate the new layout and reduction of one en-suite.

Loft floor

Two new double glazed windows to the storage area on the end elevation on the loft floor and associated stairs to access the space.
