Application No:	PL/2026/01605
Application Type:	Full planning permission
Proposal:	Installation of four temporarily portable cabins (including security, office, welfare and rest rooms units) ranging in size from 4.8m to 12m in length to support essential site operations
Site Address:	Charnage Quarry, Mere, Warminster, BA12 6AP
Planning Register Link:	https://development.wiltshire.gov.uk/pr/s/planning-application/a0iQ300000K5uE9

At a meeting held on Monday, 1st June 2026, the Town Council considered the above application and has the following response to make:

The Town Council felt that it had insufficient information on which to make a decision. There is no planning statement to accompany the planning application and so there is no indication as to why the four portable cabins are required and the planning application also states that it is for the installation of four temporarily portable cabins – does this mean that the portable cabins are required for a temporary period only? Please could some clarification be sought and provided.

Lindsey Wood
Town Clerk
