Supporting Statement for renewal planning permission of Single Mobile Classroom with toilets no. 807(05)

Accommodation currently available at Kington St Michael Primary includes two permanent and three temporary classrooms. Single mobile classroom with toilets number 807(05) now requires renewal planning permission.

Forecast pupil numbers are:

September	2025	2026	2027	2028	2029
Number on Roll	128	131	130	126	123

Predicted numbers indicate the school will need to maintain a five class structure for the foreseeable future and therefore the school needs to retain all the accommodation currently located on the school site.

Currently we do not have funding to replace the temporary mobile classroom with a permanent build. Wiltshire has over 200 temporary classrooms and whilst there is an ongoing programme of replacement the worst condition mobiles are being prioritised.

Five-year planning permission is requested for single mobile classroom, with toilets, number 807(05) at Kington St Michael Primary School
