[You don't often get email from [REDACTED] Learn why this is important at <https://aka.ms/LearnAboutSenderIdentification>]

We have submitted our objections to the proposed development of a gym/office/garden room at Bramley Cottage. Please find attached photos backing up our reasons to object to height and width of the building and where the building would be erected if permission was granted. I would also like to clarify there has never been a privacy issue which Mr Sneedon refers too in his statements.

Regards
