

**Town and Country Planning (Tree Preservation) (England)
Regulations 2012**

**Notification of intention to carry out works to tree(s) within a
Conservation Area**

Application Reference Number: PL/2026/02508

Decision Date: 25/06/2026

Applicant:	Sam Lister 12 Pembroke Fields, Dinton, Salisbury, United Kingdom, SP35EE
Particulars of Development:	2 Beech (G1) - Crown raise lowest tier of limbs extending to the west over wall by up to 4m above ground level. Reduce remainder of western side of canopy on both trees by up 3m, to suitable growth points and a balanced shape. 4 Limes (G2) - Fell 4 trees and replant with 6 limes to maintain avenue spacing. Two of the trees to be removed are the multi-stemmed sucker regrowth from old stumps. The other two are in poor structural condition, and notably smaller than the remaining limes in the avenue. Note: none of the larger, healthier limes are to be removed.
At:	THE OLD RECTORY, THE STREET, CHILMARK, SALISBURY, SP3 5AT

In pursuance of its powers under the above Act, the Council has decided not to make a Tree Preservation Order on this occasion. The Council hereby raise NO OBJECTIONS to the above specified works to be carried out in accordance with the notification and plans submitted.

The work shall be carried out and completed within a two year period from the date of this notice.

The applicant should note that this notice does not affect any private property rights and therefore does not authorise the carrying out of any work on land, or entering land outside his/her control. If such works are required, it will be necessary for the applicant to obtain the landowners consent before work starts.

The applicant should note that the work hereby permitted should be carried out in accordance with good practice as set out in the BS 3998: 2010 British Standard Tree Work - Recommendations.

The applicant should note that under the terms of the Wildlife and Countryside Act (1981) and the Habitats Regulations (2010) it is an offence to disturb or harm any protected species, or to damage or disturb their habitat or resting place. Please note that this consent does not override the statutory protection afforded to any such species. In the event that your proposals could potentially affect a protected species you should seek the advice of a suitably qualified and experienced ecologist and consider the need for a licence from Natural England prior to commencing works. Please see Natural England's website for further information on protected species.

There is a legal duty of care incumbent on the customer and contractor that all commercial waste generated as a result of the works hereby authorised is safely contained, transported and disposed of lawfully in line with the Environmental Protection Act 1990 and Environmental Permitting Regulations 2016 (as well as any other related legislation). Failing to do so can lead to individuals or organisations being prosecuted for unlawful waste management.

Nic Thomas - Director of Planning, Economy and Regeneration
