Dear Ms Hill

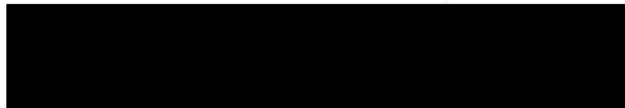

Application PL/2926/03223

I would like to make an objection to any more houses being built in Witt Road opposite Jubilee Cottage.

The proposed site is on Winterslow "Open Space" and is outside Winterslow Village Boundary. Witt road is a dead end, single track road and is much used by local residents and their families including school children on the way to and from the school bus. It is also used by pedestrians visiting Bentley Wood, dog walkers, cycle riders, horses, etc

A further point is the houses you do permit are not in the price range of local villagers who wish to stay in the village. A good quota of affordable first time buys would be beneficial to the whole village.

Yours sincerely

Mrs. Angela Goodhart
