Dear Sir,

TOWN AND COUNTY PLANNING ACT 1990 (as amended)
APPROVAL OF DETAILS RESERVED BY CONDITION

Application No:	PL/2026/02705
Proposal:	Discharge of conditions 4 (Ecology) relating to application PL/2025/08829
Site Address:	10 Linleys, Corsham, SN13 9PG
On Behalf Of:	Mrs Emma Bollen 10 Linleys, Corsham, Wiltshire, United Kingdom, SN13 9PG

I refer to your application for the discharge of condition(s) attached to the above planning permission dated 02 June 2026. After careful consideration, the following decision has been made:

Condition submitted for consideration:

Condition 4 of the above planning permission required the following:

Prior to the commencement of any works, including vegetation removal and demolition, details of the number, design and locations of ecological enhancements – including the type and locations of bat roosting opportunities – shall be submitted to the local authority for approval. The approved details shall be implemented before occupation of the final works.

REASON: To provide mitigation/enhancement for biodiversity.

Details Submitted for Approval:

4181-113_C – Proposed Plans and Sections received 27.04.26
4181-111_C – Proposed Elevations received 27.04.26

Reason for Decision:

The proposed plans and elevations confirm the positioning of bat boxes on the outbuilding. To the proposed east and west elevations, a proposed integrated bat box would be installed on both gable ends. Furthermore, the proposed plans confirm that the chosen bat box is a 'Verona Built-In Woodstone Bat Box'. Wiltshire Council Ecologists have commented on the details provided, confirming that the submitted plans clearly show the

precise locations and product details of two bat bricks that will be integrated into the development. On this basis, Ecology have confirmed that the submitted details satisfy the requirements of condition 4, on the understanding that the approved enhancements will be implemented before occupation, in line with the condition wording.

Please note that in accordance with national planning guidance, discharge of condition applications are procedural in nature and do not require public consultation. While third-party representations may occasionally be received, they are not formally invited and do not form part of the statutory decision-making process. The assessment of this application has been based solely on whether the submitted details satisfy the requirements of the relevant planning condition(s).

This letter acts as official confirmation and therefore I suggest that you attach it to the decision notice as evidence that you have complied with the requirements of the relevant condition(s).

Yours faithfully

Head of Development Management
