To Whom It May Concern,

Re: Support for Liza's Little Explorers – Planning Application

We are Liza's next-door neighbours and are writing to express our full support for Liza's Little Explorers to operate from its current location at 31 Conyger Road, Amesbury.

Our property directly adjoins Liza's property and since the childcare setting has been operating, we have had absolutely no issues with noise levels or disturbance. We have had no issues with traffic on our road and have not been inconvenienced in any way by people dropping off or picking up their children from next door.

Ever since taking over 31 Conyger Road, Liza has been a thoughtful and considerate neighbour, who has gone out of her way to ensure that we would not be adversely affected by her business or the initial work to set it up. She invited us round to see her childcare setup before it opened, and we were both impressed by the care and attention which had gone into it. We have had the opportunity to speak to some of the parents who bring their children to Liza's Little Explorers, and it is clear from chatting to them that Liza runs a professional and well-respected business which is a positive addition to the area.

Liza has been respectful and considerate in all our interactions with her, and we fully support the continued operation of Liza's Little Explorers at 31 Conyger Road.

Yours faithfully,
