

To Whom It May Concern,

I am writing to express my wholehearted support for Liza's Little Explorers and the exceptional childcare service that is provided there.

The quality of care, professionalism, and dedication shown at Liza's Little Explorers has been outstanding. In comparison with other childcare providers we have experienced, the level of individual attention, nurturing environment, and genuine care for each child truly stands out. My child is happy, settled, and thriving, and this is a direct reflection of the commitment and passion shown every day.

Continuity of care is extremely important to our family. Our child has built strong relationships, feels secure within the setting, and benefits greatly from the familiar routines and trusted environment. Any disruption to this continuity would have a significant emotional and practical impact on our family.

If we were required to seek alternative childcare, it would create considerable stress and uncertainty. Finding another setting that offers the same level of trust, consistency, safety, and personal care would be very difficult. It would also affect our work arrangements and our child's emotional wellbeing during a period of unnecessary transition.

I can confidently say that I feel my child is extremely safe at Liza's Little Explorers. Safety, supervision, communication, and safeguarding are clearly taken very seriously, and we have always felt reassured knowing our child is in a caring and secure environment.

It is also very important that Liza's Little Explorers continues operating from its current location. The setting is convenient for local families, well established within the community, and provides an essential service that many families rely upon. Its location allows children and parents to maintain stability and routine, which is incredibly valuable.

I would like to reassure you that any concerns regarding traffic or parking are being carefully managed. All parents are given allocated timings to drop-off and pick-up, ensuring that arrivals and departures are quick and organised. This helps maintain a smooth flow and avoids any increase in traffic in the local area.

Liza's Little Explorers plays a hugely positive role not only in children's lives but also within the wider local community. We are extremely grateful for the care and support provided and fully support the continuation of this valuable childcare setting.

Kind regards,

Chris Chavis
