Kingsbury M.O.T Centre Limited

Kingsbury Square,

King Street,

Melksham,

Wiltshire,

SN12 6HL

Company House Number 16746369

12th April 2026

I am writing a statement on behalf of Kingsbury MOT Centre Limited. My husband Anthony Braund and myself Katherine Braund took the premises over from Steve Carlyon back in October 2025. Steve the previous tenant had used the site for a period of 11 years as a MOT centre and a vehicle workshop for repairs and servicing. Prior to this the tenant Alexander Wade also used this site for MOT testing and vehicle servicing and repairs under the company name of Sanmax for a period of 16 years.

It is my understanding and with landlord confirmation that the building currently known as Kingsbury MOT Centre Ltd, previously Sanmax has been operating without interruption solely as a MOT Centre and vehicle repair/servicing workshop from 1998 to current day.

The last MOT test was conducted on the 23rd June 2025. Due to the licence loss by the previous tenant, however continued as a vehicle repair/servicing workshop.

It is our wish to restore the MOT licence so that MOT tests can be performed here again.

This information is provided to the best of my knowledge

Many Thanks

Katherine Braund

Company Director
