Dear Jemma

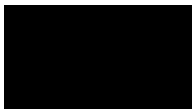

**Re: Confirmation of Tenancy – No.1 and No.2 Cottages, Shute Farm
Longleat Estate**

We hereby confirm that No.1 Cottage and No.2 Cottage are included within, and form part of, the existing farm tenancy for Shute Farm, occupied by Matthew and Chrissie Crossman.

The cottages are owned by Longleat Estate and are therefore not separately owned or occupied by unrelated third parties.

If any further clarification is required, please do not hesitate to get in touch.

Yours sincerely,

Georgia Verdon MRICS
Estate Manager
