Chicklade EV Service Station, Chicklade

Dear Ms Georgina Wright,

Thank you for consulting us on the above application.

Environment Agency Position

The applicant has provided additional information on firewater management, including containment measures and storage capacity. On this basis we are satisfied that contaminated runoff can be appropriately managed and that risks to groundwater can be mitigated.

Should you require any additional information, or wish to discuss this matter further, please do not hesitate to contact me.

Yours sincerely,

Briony Waterman, Planning Specialist
