

**The Town and Country Planning Act 1990**  
**Withdrawal of Full Planning Permission**  
**Application Reference Number: PL/2026/02122**  
**Decision Date: 16/07/2026**

|                                    |                                                                                                                                                     |
|------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Applicant:</b>                  | C/o Agent<br>10 Bricket Road, St Albans, United Kingdom, AL1 3JX                                                                                    |
| <b>Particulars of Development:</b> | Creation of charging zone, erection of EV chargers, jet wash bays, sub-station enclosure, LV panel, meter cabinet, plant room and associated works. |
| <b>At:</b>                         | Morrisons, Weymouth Street, Warminster, BA12 9NT                                                                                                    |

The above planning application has been **WITHDRAWN**, and as such the Council will not be making a determination.

*Nic Thomas* - Director of Planning, Economy and Climate

# Notes

- 1      Should the application be resubmitted, at a later date, it will be a stand alone case with all appropriate consultation being repeated. Whilst the council will retain comments and consultation responses for a short time, the General Data Protection Regulations require the authority to delete certain correspondence after a reasonable period. As such public comments should be submitted against the new case to ensure that they are taken into consideration.
