In pursuance of its powers under the above Act, the Council hereby **GRANT PLANNING PERMISSION** for variation or non-compliance with a condition or conditions imposed on an earlier permission in accordance with the application and plans submitted by you.

In accordance with paragraph 38 of the National Planning Policy Framework, Wiltshire Council has worked proactively to secure this development to improve the economic, social and environmental conditions of the area.

Subject to compliance with the following conditions:

- 1 The development hereby permitted shall begin not later than three years from 23 July 2025.

REASON: To comply with the provisions of Section 91 of the Town and Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

- 2 The development hereby permitted shall be carried out in accordance with drawing nos:

1668-120 - Location Plan, 1668-101 A - Proposed Site Plan, 1668-102 A - Proposed Floor Plans & Elevations, 1668-105 - Existing & Proposed Site Sections, 1668-100 A - Existing Site Plan.

REASON: For the avoidance of doubt and in the interests of proper planning.

- 3** No development shall take place, including any works of demolition, until a Construction Method Statement has been submitted to, and approved in writing by the local planning authority. The Statement shall provide for:

- i. the parking of vehicles of site operatives and visitors;
- ii. loading and unloading of plant and materials;
- iii. storage of plant and materials used in constructing the development;
- iv. the erection and maintenance of security hoarding including decorative displays and facilities for public viewing, where appropriate;
- v. wheel washing facilities;
- vi. measures to control the emission of dust and dirt during construction;
- vii. a scheme for recycling/disposing of waste resulting from demolition and construction works;
- viii. delivery, demolition and construction working hours.

The approved Construction Method Statement shall be adhered to in full throughout the construction period for the development.

REASON: In the interests of public safety and to ensure the health and safety of site operatives.
