The above planning application has been **WITHDRAWN**, and as such the Council will not be making a determination.

Nic Thomas - Director of Planning, Economy and Climate

Notes

- 1 Should the application be resubmitted, at a later date, it will be a stand alone case with all appropriate consultation being repeated. Whilst the council will retain comments and consultation responses for a short time, the General Data Protection Regulations require the authority to delete certain correspondence after a reasonable period. As such public comments should be submitted against the new case to ensure that they are taken into consideration.
