Dear Joe,

PL/2025/09845 Fives Court, Angel Lane, Mere, Warminster, BA12 6DH

I am writing in relation to the above application. As you know the current extension of time expires on 25th September 2025.

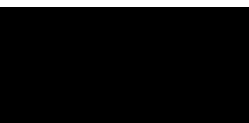

The design team has undertaken work to respond to comments received through the planning consultation process to address concerns relating to overlooking to neighbouring properties and the height of the building on the western elevation nearest to Angel Lane. Members of the design team met on site with the Urban Design Officer and the Senior Conservation Officer to discuss their comments and design changes that could be adopted to address these.

Please find included the following documents:

- [WCMRFC-O50-RP-A-0012-P01 Design Revision and Policy Statement](#)
