

Highway Development Management Consultation Response

Planning Application Ref: PL/2026/01557

Site Address: Gerard Buxton Sports Ground, Brinkworth Road, Royal Wootton Bassett, SN4 8DS.

Proposal: Vary Condition 2 on PL/2024/07034 - Full planning application for the erection of padel courts, canopies, and associated customer kiosk, with associated areas of hardstanding, means of enclosure, lighting and associated infrastructure.

Date of Consultation Response: 04/08/2026

I refer to the above planning application dated 20/03/2026 seeking permission to vary Condition 2 on PL/2024/07034 - Full planning application for the erection of padel courts, canopies, and associated customer kiosk, with associated areas of hardstanding, means of enclosure, lighting and associated infrastructure.

The proposal to vary the condition relating to plans has been submitted to rearrange the internal site layout where the courts and kiosk are located. This would not alter the previous provisions for vehicle and cycle parking.

A CMP has been submitted which includes detail of wheel washing inspections and facilities, as well as the requirements for banksmen for larger HGV traffic as part of the traffic management.

Therefore, I would not wish to object to this variation subject to previous conditions recommended being applied.
