Condition No.	Further information required by condition	Satisfactorily addressed (Document & Date)
8		YES 06/08/2026 - Bird and Bat Box Siting Plan Annex A. 05 August 2026. Drawing No. MCA-MUK3735-01; - Bat & Bird Box Installation Plan Leafy Lane, Corsham, SN13 0JY. 08 June 2026. Further information is required to fully satisfy the requirements of this condition. Condition 6 can be partially discharged, as sufficient details have been provided regarding the type, number and specification of the proposed bird and bat boxes.

However, the document "Ecological Update to Planning Permission Requirements for Leafy Lane Recreation Ground, Corsham SN13 0JT" (08 June 2026, Dr JE Symmons) states that a Bird and Bat Box Siting Plan can be found at Annex A. However, this plan has not been provided. In order to fully discharge Condition 6, the referenced siting plan (or an equivalent site plan) must be submitted. The plan should be drawn to scale and clearly identify the proposed locations of all bird and bat boxes referred to within the submitted documentation.

Sufficient information has been submitted in relation to condition 8 which can now be discharged.
