

## Highway Development Control Consultation Response

**Planning Application Ref:** PL/2026/04404

**Site Address:** Unit N Whitehall Site, Chelworth Industrial Estate, Chelworth Road, Cricklade, SN6 6HE.

**Proposal:** Discharge of Condition 3 of PL/2026/01432 relating to details of secure covered cycle parking and changing and/or shower facilities.

**Date of Consultation Response:** 06/08/2026

I refer to the above application dated 15/07/2026 seeking a Discharge of Condition 3 of PL/2026/01432 relating to details of secure covered cycle parking and changing and/or shower facilities.

Condition 3 reads:

No development or use hereby permitted shall commence on site until details of secure covered cycle parking and changing and/or shower facilities have been submitted to and approved in writing by the Local Planning Authority. The submitted details shall accord with dimensions, access, location, design and security principals laid out in Appendix 4 of Wiltshire's LTP3 Cycling Strategy. These facilities shall thereafter be provided in accordance with the approved details and made available for use prior to the first occupation of the development hereby permitted and shall always be retained for use thereafter.

REASON: To ensure that satisfactory facilities for the parking of cycles are provided and to encourage travel by means other than the private car.

The plans submitted show the facilities proposed for changing/shower facilities within the main building.

The cycle parking provision is detailed on the proposed car park layout and shows 5 no Sheffield stands outside and to the south of the main access. This would provide some 10 cycle parking spaces.

I believe that the condition can now be discharged in relation to highways.
