

Post-development BNG Habitat Plan
Land west of North Lodge,
Codford St. Peter

Key

-  Site boundary
-  Ownership boundary

Post-development Habitats

-  u1 828 – Vegetated garden
(the front and rear residential
gardens associated with the two
dwellings)
-  u1b5 89 – Sedum green roofs
(above footprint of two proposed
dwellings)
-  u1c - Artificial unsealed, unvegetated
surface (proposed permeable vehicle
access/parking for the dwellings)
-  u1e - Built linear features
(proposed retaining walls)
-  w1g – Other broadleaved woodland
(off-site - retained and enhanced
post-development in the ownership
boundary - excluded from the BNG
metric as off-site)
-  h2a5 – Species-rich native
hedgerows (excluded from BNG
metric as proposed within
residential garden curtilages)
