**DISCHARGE OF CONDITION APPLICATION: Condition 3 associated with
PL/2026/03088**

07 August 2026

Dear Sir / Madam,

Mott MacDonald has been appointed on behalf of the National Trust to prepare and submit a Discharge of Condition application in respect of Condition 3 associated with planning permission PL/2026/03088 dated 08/07/2026.

Condition 4

Condition 4 is a considered a pre-commencement condition and is as follows:

'No development shall commence within the area indicated by application PL/2026/03088 until:

- a) A written programme of archaeological investigation, which should include on site work and off-site work such as the analysis, publishing and archiving of the results, has been submitted to and approved by the Local Planning Authority; and*
- b) The approved programme of archaeological work has been carried out in accordance with the approved details.*

REASON: To enable the recording of any matters of archaeological interest.'

In order to discharge condition 3 a 'Project Design for archaeological monitoring and recording' has been submitted as part of this planning application.

Mott MacDonald believes the information provided is sufficient in respect of the discharge of Condition 3, should any further information be required please contact me via the details below.
