

NOTES APPLY TO ALL SHEETS:

1. Do not scale from this drawing.
2. All dimensions are in metres unless otherwise stated.
3. This drawing is to be read in conjunction with all relevant documents and drawings.
4. No unauthorised disclosure, storage or copying.
5. All spatial coordinates relate to the Ordnance Survey, British National Grid (OSGB36).
6. All levels are in meters and relate to AOD (Ordnance Survey, Newlyn).
7. The design has been provided for indicative purposes only, not for construction. To be further developed in detailed design.
8. All works to be offset 2m from beetle bank located adjacent to the main construction compound.
9. Where possible hedgerow removal should be kept to a minimum to allow for construction activities associated with the scheme to be safely carried out. The Landscape Proposals show an approximate amount of vegetation clearance, based on the arboricultural and engineer drawings, surveys, and reports provided. Conditions on site may differ from the Landscape Concept Plans.

Designer's site specific risk assessment

By: **O Judge** Date: **24/09/2021**

☒ No works associated with this drawing

HAZARDS

☐ Working at height ☐ Site fabrication/drilling
☐ Unusual Access ☐ Excavation

Interfaces: ☐ Public ☐ Operatives ☐ Vehicle/Plant

WHO COULD BE HARMED? CONTROL MEASURES

☐ Construction operatives ☐ Existing work instruction
☐ Dismantling crew ☐ Method detailed on drawing
☐ Future maintenance crew ☐ Method detailed on separate document
☐ Public

☐ No temporary works required

☐ Temporary works required and documented separately

☐ Drawing contains temporary works:

☐ 0 Generic or proprietary solution ☐ Complete temporary works design check certificate: DE-SF-081
☐ 1 Specific basic design
☐ 2 Specific design
☐ 3 High risk or specialist design

Red ☒ OK to proceed providing specific design hazards and risks have been recognised, acknowledged and understood by the operation team. Site operatives may require additional instruction/training

Amber ☒ OK to proceed as detailed in existing work instruction or procedure detailed on drawing or separate document.

Green ☒ OK to proceed, no significant design hazards and risks, standard control measures apply.

CDM REGULATIONS RESIDUAL RISKS

Design based hazards are actively eliminated where possible. Where hazards cannot be eliminated, this symbol along with an attached note will identify the hazard and indicate that an action is required by the person supervising the works to manage the design hazard during construction. Other than those noted, we are not aware of any further residual design risks apart from those that a competent contractor would ordinarily consider.
