Formal Objection to Planning Application PL/2026/04358 – 43 Oak Road, Chippenham, SN14 0XJ

Dear Sir/Madam,

We are writing to register a formal objection to the variation application PL/2026/04358 for 43 Oak Road (seeking to vary Condition 2 of Planning Permission PL/2025/00170).

We do not oppose the previously approved extension plans however we do strongly object to the proposed introduction of a second-floor window to the front of the extension. The positioning of the window will create a direct line of sight into both our private garden and, far more importantly, into our kitchen/living area thereby removing the level of privacy that people would expect to have in these spaces.

We feel that the proposed amendments fail to meet national and local planning standards which require new residential developments to safeguard the residential amenity of neighbouring occupiers. Upper-floor openings that create direct alignment with private living areas and amenity spaces fail to meet these established standards.

We respectfully ask that the department rejects the application to make these amendments to the plans.

Yours faithfully

Anthony and Paula Randell
