GROUND FLOOR PLAN (PARTIAL)**
SCALE 1:50

FLOOD MITIGATION MEASURES
(the site is within flood zone 2 and 3)

Floor levels within the proposed development will be set no lower than existing levels, and, property flood resilience measures will be incorporated into the property as follows:

- Flood boards to prevent water ingress to building
- Electrical sockets to be raised a min 400mm above floor level
- Flood resilient finishes / materials
- Non-return valves on drainage to be fitted
